EDUCATION

BE in Information Technology	2021-2025
Prof. Ram Meghe Institute of Technology and Research, Badnera-Amravati	CGPA: 7.99
Higher Secondary School	2020 - 2021
Late Jyoti Janolkar Vidyalay, Malkapur, Akola	Percentage: 78.83%

SKILLS

Technical Skills	Java, HTML, CSS, Python, SQL, Machine Learning
Certifications	Programming in Java (IIT Kharagpur), Python for Data Science (IIT Madras)
Coursework	Object Oriented Programming , Database and Management System
	Operating System , Computer Network , Data Structures and Algorithms
Soft Skills	Leadership, Team Work, Problem Solving, Communication Skills

EXPERIENCE

Front-End Developer Intern	2024
zENLI (IIT Bombay)	

- Developed and implemented **front-end components and features** using **HTML, CSS, and JavaScript** for [zENLI](#).
- Contributed to the development of a **mentorship platform**, designing and implementing **front-end features** to facilitate **student onboarding, project assignment, and collaborative learning**.

PROJECTS

Resume Parser and Job Recommendation System using NLP and Machine Learning

- Developed a **robust resume parser** utilizing **Natural Language Processing (NLP)** techniques to extract **key information** such as **skills, experience, and education**.
- Implemented **machine learning algorithms** to analyze extracted data and **recommend suitable job opportunities** based on candidate profiles.
- Contributed to a **comprehensive system** that automates **resume screening** and enhances **recruitment efficiency**.

IPL Score Prediction Using Machine Learning

- Developed a **machine learning model** to predict **first innings scores** in IPL matches using **real-time analysis** of the **last 5 overs** and **historical data**, leveraging **feature engineering** and **data preprocessing** for accuracy.
- Implemented **ML algorithms** and **statistical techniques** to enhance **prediction capabilities**, improving performance for **sports analytics** and **cricket enthusiasts**.

ACHIEVEMENTS AND EXTRA-CURRICULAR ACTIVITIES

- TCS CodeVita Qualified - Round 1 Rank: 9323, Round 2 Rank: 1250**
- Solved **350+** Problems on [Leetcode](#) and [GeeksforGeeks](#).
- Team Lead and Volunteer of NSS** - Attended **Two State-Level** and **One National-Level Camp**.
- Rescue Swimmer and Member of the Rescue Team**.
- Mood Indigo Squad Member of IIT Bombay 2023**
