SKILLS

Technical Skills: Java, PHP, XML, Data Structures & Algorithms, DBMS

Tools: Android Studio, VS Code, GitHub, Firebase, Postman

Soft Skills: Leadership, Communication, Collabration

EXPERIENCE

Android Development Intern   Aug 2023– Nov 2023
Mountreach Solution Pvt. Ltd   Amravati ,MH

- Developed Android applications using **Java** and **XML**, focusing on UI/UX and functionality.
- Integrated RESTful APIs using **PHP** for backend operations, ensuring smooth communication between the app and server.
- Utilized MySQL with **XAMPP** for local server management, data storage and handling tasks efficiently.
- Conducted API testing using **Postman** to ensure seamless integration and bug-free performance.

PROJECTS

Anti-Theft Android App | Java, XML, Firebase, Google Maps API   Jan 2024 – Apr 2024

- Developed an Anti-Theft Android App with security features to prevent device theft using **Java** and **XML**.
- Integrated **Google Maps API** for real-time location tracking and **Firebase** for seamless notifications and database management.
- Implemented advanced features to block **power-off** access, restrict the drop-down menu, and enable location retrieval via **SMS** even when mobile data is off.

Order Management Application | Java, XML, PHP, MySQL   May 2024 – Jun 2024

- Developed an Android application enabling customers to place orders in-store and employees to manage orders.
- Created a backend using **PHP** to handle HTTP requests and perform database operations on an online **MySQL** database.
- Configured a **web server** for hosting **PHP** scripts to process orders and manage product data for store owners.
- Integrated **QR code** functionality to enhance security and verify customer location.

EDUCATION

Sant Gadge Baba University, Amravati   Aug 2021 – Present
Bachelor of Engineering in Information Technology   **CGPA : 7.49**
Related Coursework: Data Structures and Algorithm, OOP, Operating System, Database Management System

Mauli Junior College of Science, Akola   July 2019 – Aug 2021
Higher Secondary School   **Grade: 96.33%**

HOBBIES

- Learning about Finance (Personal finance, Corporate finance, Investments, Money Management)
- To watch different Sports (Both indoor and Outdoor)
